About Ting-Li Lin

Born in Taiwan, Ting-Li Lin is a landscape and architectural photographer, statistician, musician, and competitive curler based in Madison, WI, United States. He won the First Prize of the Ansel Adams Gallery National Park photo contest in 2009 and have held exhibitions at local galleries in Madison, WI, since then. Ting-Li earned his PhD in statistics from UW-Madison and had been a statistical consultant for more than 6 years. He has been working as a statistician in the pharmaceutical industry since 2012. Ting-Li plays violin and piano, and he is a member of Taiwan's national curling team. In 2015, he and Max Chen founded Snowforest, a commercial photography and video production company with a focus on architecture, interior, and virtual tours.

About the International Photo Awards

The International Photography Awards conducts an annual competition for professional, non-professional, and student photographers on a global scale, creating one of the most ambitious and comprehensive competitions in the photography world today. Each year, the International Photography Awards (IPA) invites passionate photographers, to compete for the title of Photographer of the Year, Discovery of the Year and Deeper Perspective Photographer of the Year. A board of esteemed professionals in the field juries the competition: curators, photo editors, gallery owners, art directors, and other luminaries from the international photography community. The awards includes a Lucie Statue and cash prizes totaling over \$20,000, exhibition and publication opportunities. www.photoawards.com
